

VIETNAMESE WOODEN BOAT SAFARI

EXPLORE BU LU RIVER AND VISIT CANH DUONG FISHING VILLAGE

Sit back and enjoy a leisurely cruise up the Bu Lu River by traditional Vietnamese wooden boat, passing many rice fields, farms, and taking in the breath taking scenery of the Bach Ma Mountain range - the source of the Bu Lu River. It is this river that is the life blood of the local fishing village supplying a safe harbor, a secondary fishing zone in the monsoon season, a place for fisherman to mend their nets, tie up their boats and rest, or simply have a cooling dip in the heat of the day.

Enjoy the included experiences of a traditional basket boat (Coracle), test your paddling skills or let us do it for you.

At the local village, see their fishing boats, the beautiful beach, and taste some local seasonal food.

Our guide will keep you informed with commentary about the sights, answers to your questions, and help you capture that memorable photo.
