

COASTAL DISCOVERY TOUR

**SEEK OUT BEAUTIFUL PLACES TO SWIM,
SNORKEL, OR TAKE IN THE VIEW**

As the name suggests, we travel out of Laguna Lăng Cô to discover and explore the magnificent coastal regions including Hon Son Cha, Chan May, Hai Van Pass, Banana Beach, all in the comfort of our large RIB (rigid inflatable boat).

Travelling along the shoreline of the famed Hon Son Cha peninsular, visiting secluded bays, looking for another beautiful location for a swim or snorkel, or just lazing back taking in the views this region is famous for.

There are numerous locations that may entice us to take a closer look and perhaps discover something new.

Our guide will keep you informed with commentary about the sights, answers to your questions, and help you capture that memorable photo.
