

BU LU RIVER AND VILLAGE ADVENTURE

KAYAK/ SUP RIVER AND VILLAGE ADVENTURE WITH GUIDE

10km paddle on the Bu Lu River and its estuary.

Start your paddle on the very smooth protected waterway of the Bu Lu estuary. At the river junction take a short break and enjoy some fresh fruit and water before paddling downstream to the fishing Village of Canh Duong.

Whilst the paddling is easy, this longer distance is better suited to those with a moderate level of fitness. You will paddle through riparian zones, discover wildlife, farm animals, rice fields, all before entering the wider Bu Lu River. This river is the life blood of the local village supplying a safe harbor and secondary fishing zone in the monsoon season, a place for fisherman to mend their nets, tie up their boats and rest, or simply have a cooling dip in the heat of the day. Upon reaching the village, enjoy the included experiences of riding in and learning to paddle a traditional basket boat (Coracle), and enjoy the local seasonal fare of the local villagers.

New to Stand Up Paddling ? We highly recommend the free lessons at watersports to best prepare you to take maximum advantage of the sights along the way, or select Kayak for improved stability.

Our Guide will look after you with paddling tips, commentary, as well as ensure your gear is set up just right.
