

# TWILIGHT EXPERIENCE IN TRADITIONAL BOAT

## EXPERIENCE A LAGUNA TWILIGHT IN OUR TRADITIONAL VIETNAMESE WOODEN BOAT

Sit back and enjoy a gentle cruise as we head North beyond Banyan Tree Point and anchor off a secluded beach.

Nibble on a light platter of snacks (included) and savor a cool glass of wine as the sun slowly sets. Beer, wine, soft drink all available onboard (sold separately).

Bring your camera for the memorable photo.

Our return journey South around Banyan Tree Point will bring the resort into view in a whole new light.

Another opportunity to photograph the beautiful resort from a unique perspective.
